**EPSON
TOUR**
ROAD TO THE LPGA

become a
HOST FAMILY

As a Housing Host, you will have the unique opportunity to get to know the players on a personal level by opening your home to Epson Tour professionals during tournament week and inviting them to stay with you. This provides the players with a comfortable home-away-from-home environment as well as alleviating some of their weekly expenses. Time and time again, lasting friendships are developed out of being a Housing Host; you never know, your player could become the next LPGA star.

Some of my past host families have become my close friends and biggest supporters. I write back and forth with one host mom every week, and she is now as much a part of my journey as my own family.
