**EPSON  
TOUR**  
ROAD TO THE LPGA

As a Housing Host, you will have the unique opportunity to get to know the players on a personal level by opening your home to Epson Tour professionals during tournament week and inviting them to stay with you. This provides the players with a comfortable home-away-from-home environment as well as alleviating some of their weekly expenses. Time and time again, lasting friendships are developed out of being a Housing Host; you never know, your player could become the next LPGA star.

*Some of my past host families have become my close friends and biggest supporters. I write back and forth with one host mom every week, and she is now as much a part of my journey as my own family.*

As a Private Housing Host, here is what you can expect:

- Housing is for the PLAYER ONLY (no caddies, parents, significant others, siblings, etc.).
- Players may not bring their pets with them to their Host house.
- All Players will have their own transportation.
- You may host more than one player, but each player must have their own bed.
- Meals are not required; however, most Players will appreciate any meals or other provisions that are made available by their host family. If you wish to include your Player(s) in family meals, we encourage you to consult with them in advance so you can avoid any unnecessary expenditures if they have made other arrangements.
- Please note: Player's schedules, tee times and practice times vary from day to day, so it may not always be possible to coordinate a convenient time for everyone to dine together. When possible, seek confirmation from your Player(s) before setting plans into motion.
- If you want to provide food and beverages but have scheduling conflicts, you may consider prepared meals or simply offer for the Player(s) to utilize the kitchen to serve themselves.
- Players often need to do laundry. If you will allow the Player to use a washer and dryer in the home, please let them know and provide application instructions. If you do not have a washer/dryer, or prefer the Player not to use them, please indicate this on your Housing Application form.

\*\*By signing this application, you agree to the following: I have never been found guilty for, or entered a plea of guilty or of nolo contendere (i.e., no contest) to a crime determined to be a misdemeanor or felony (nor will I knowingly allow anyone in my home that has). I have never been judicially determined to have committed abuse or neglect against a person, child, or animal (nor will I knowingly allow anyone in my home that has). I will indemnify and hold harmless the Epson Tour, Ladies Professional Golf Association, and each of their affiliated, related, or owned companies and all other persons and entities from any and all claims, actions, suits, proceedings, costs, expenses, damages and liabilities (including attorneys fees) arising out of, connected with, or resulting from hosting a player. I offer my home freely and without pressure or coercion and there has been no promise of nor do I have an expectation of receiving compensation or other benefits. Additionally, my signature shall serve as authorization for the Tournament, the Epson Tour, and/or a designated agency to perform a record information check, including but not limited to criminal and/or civil records, in connection with my housing application for the Tournament. My application may be rescinded or revoked, based upon data received in records information check report(s).
